Important Information for your Bridal Services

Our goal at VIVO is to create the perfect look for you, that makes your wedding day beautiful. It is so important to us that you are happy, relaxed, and feel amazing!

Let's talk hair...

Before the wedding:

We recommend that you book in for a trial with your stylist at least 1-2 weeks prior to the wedding, allowing you to communicate and plan your desired look before your big day.

At that time, please bring any hair accessories or extensions you plan on using for the wedding. It is also a good idea to bring photos of your dress and potential desired hairstyles.

Any hair cutting or coloring should be done AT LEAST 1-2 weeks prior to the wedding.

The day before:

Take deep breaths, and be excited!!

Shampoo and blow dry your hair with minimal product. No flat ironing as this can affect how your hair will hold or curl the following day.

On the wedding day:

Today is the day! And we can't wait to see your glow!!!

Those booked for updo's DO NOT wash your hair. Working with the hair's natural oils allows for a cleaner finish and better hold to your bridal updo. NOTE: If you must wash your hair—a blow dry is not included with this service, so please have your hair dry and ready to be styled PRIOR to the stylists showing up. If you wish to have your stylist blow dry your hair, this will be an additional price.

Wear a zip up sweater or a shirt that does not go over your head.

Please arrive to the salon on time. If any member of the bridal party is late the lost time will compromise the quality of the bridal party's complete look.

If you haven't met your stylist yet, be sure to bring pictures to aid in communicating the look you want, remember time will be of the essence.

At that time, it is a good idea to bring photos of your dress and potential desired makeup looks.

Also, it is a good idea to inform your stylist of any spray tans you may be getting prior to the wedding date. This way the appropriate color can be chosen to match for your big day.

Be sure to take extra good care of your skin the month leading up to your wedding. Healthy skin means beautiful makeup the day of. Daily cleansing, toning and moisturizing is a MUST. ...and lots of water isn't bad either.

The day before:

Take deep breaths, and be excited—AGAIN! (You can never breathe too much... lol)

Be sure to cleanse, tone and moisturize your skin the night before your big day. This will ensure a beautiful face for the next morning.

On the wedding day:

Today is the day! And we can't wait to see your glow!!!

Those booked for makeup, be sure to come with a clean, moisturized face.
